

+URGENT PRODUCT RECALL+

The Maker of all human beings is recalling all units manufactured, regardless of make or year, due to the serious defect in the primary and central component of the heart. This is due to a self-induced malfunction in the original prototype units code named Adam and Eve, resulting in the reproduction of the same defect in all subsequent units. This defect has been technically termed, "Sub-sequential Internal Non-morality," or more commonly known as SIN as it is primarily expressed:

Some other symptoms:

- Loss of direction
- Strife and arrogance
- Amnesia of origin and false sense of superior knowledge
- Lack of peace, joy, and compassion
- Selfish behavior
- Depression or confusion in the mental component
- Fearfulness and condemnation
- Idolatry and greed
- Rebellion and deceit
- Component, systems, or total unit breakdown

The Manufacturer, Who is neither liable nor at fault for this defect, is providing factory authorized repair and service free of charge to correct this SIN defect. The Repair Technician, Jesus, has most generously offered to bear the entire burden of the staggering cost of these repairs.

There is no additional fee required. The number to call for repair in all areas is: P-R-A-Y-E-R. Once connected, please upload your burden of SIN through the REPENTANCE procedure. Next, download ATONEMENT from the Repair Technician, Jesus, into the heart component.

No matter how big or small the SIN defect is, Jesus will replace it with:

- Love
- Joy
- Peace
- Patience
- Kindness
- Goodness
- Faithfulness
- Gentleness
- Self-control
- Factory Downloadable Healing

Please see the operating manual, HOLY BIBLE, also known as Basic Instructions Before Leaving Earth for further details on the use of these repairs. As an added upgrade, the Manufacturer has made available to all repaired units a facility enabling direct monitoring and assistance from a resident Maintenance Technician, the Holy Ghost.

Repaired units need only make Him welcome and He will take up permanent residence within the internal system.

WARNING: Continuing to operate the human being unit without correction voids the Manufacturer's warranty, exposing the unit to dangers and problems too numerous to list and will result in the human unit being permanently impounded.

For free emergency service, call on JESUS.

DANGER: The human being units not responding to this recall action will have to be scrapped in the smelting furnace. The SIN defect will not be permitted to enter Heaven so as to prevent contamination of that facility.

Thank you for your attention. Please assist where possible by notifying others of this important recall notice.
